

"Tea!  
Bless ordinary  
everyday  
afternoon tea!"

DRINKING TEA  
WITH A PINCH OF  
IMAGINATION!

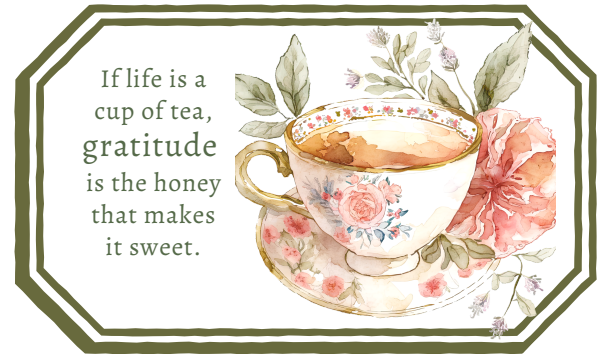

Happiness  
is warming  
your hands  
with a  
hot cup of tea.

Life  
is like tea  
- it's all in how  
you make it.

TEA  
=  
a hug  
IN A  
CUP.

If life is a  
cup of tea,  
gratitude  
is the honey  
that makes  
it sweet.
